Central Intelligence Agency
Office of the Deputy Director for Intelligence

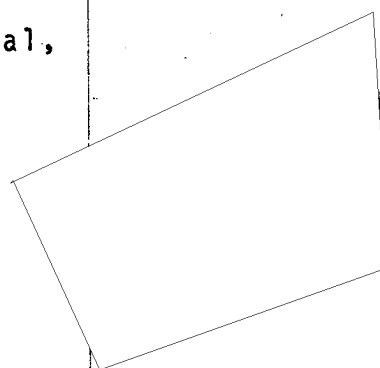

June 24th

STAT

Steve Flanagan (SSCI) wants to come out to headquarters early next week (Monday the 27th if possible). He wants to talk about the backfire bomber and suggests he can cover the ground he wants in about 45 minutes.

Flanagan also wants to discuss with the appropriate person the contents of  the new MBFR proposal, so it will be a matter of coordinating the timing of a double-feature.
